The purpose of the Liberty High School Band is to entertain and teach. Entertainment is provided by our band through pep rallies, concerts, contests, and parades. The band helps lift school spirit. It also provides opportunities to further boost student's musical talents. The band program provides scholarships to encourage those with musical interests to continue their studies after high school. The purpose of band can be understood by looking at band as the education of the *whole* child. Band offers an enticing challenge to those students who wish to take on responsibility, learn discipline, and develop self confidence.

IN MEMORY
of
RODNEY JOSEPH ABSHIRE Jr.

I never realized how many friends Rodney had, and I bet he didn't either. He would have been so pleased to know how much all of you cared. His death affected so many people and will be felt for a long time — forever for some of us. Thank you for all of the love and support you have shown.

Sincerely,
Jo Griffith

As we all know, blood does not make a family, but love does; I believe my brother Rodney Joseph Abshire, Jr. had the biggest and best family a person could ask for.

Sincerely,
Reid Gassett

Seniors '86

There was a class of the very
best,
Forever surpassing all the
rest.
A class that was close and oh, so
near,
Loving and laughing year after
year.
Years of joy and years of
fun,
The years brought them together as
one.
Always striving and reaching for
more,
Showing ambition through the smiles they
wore.
Sticking together through good times and
bad,
Through tears of joy and tears of
sad.
Together they would work and together they
would play,
Until the day came when they had to go
away.
On to bigger things they knew they must
go,
Now they realize they miss each other
so.
Goodbye to Mom, goodbye to
Dad,
A kiss on the cheek to their grown up
grad.
They will lift up their heads and show their
pride,
Ignoring those scared feelings deep
inside.
It is time to go and play their
parts,
Mend the pieces of their broken
hearts.
Their broken hearts they will somehow
fix
They are the Seniors of Eighty-six.

Rodney Joseph Abshire

Although we had so many things left to do together, I had six wonderful months with you and I'm thankful for that. I never expressed just how much you meant to me, and I regret it. I suppose I didn't realize how much until it was too late to let you know. We had so many fun times together, and I'll never forget you. We shared a special kind of love. I miss you, but maybe we'll be together again . . . some day . . .

Regina,

Hey Jeff! As you well know by now, I consider you as my little sister. I'm glad that we have become such good friends. I hope you know that whatever you ever need I will do the best I can to help you in any and everyway I possibly can. You're a great person with a lot of fantastic qualities. You have a great personality, looks, and you're just a overall great person. Please never change, because after all, you can't mess with perfection! Make the best of your high school ~~years~~ years because when there over, you'll miss them; I already am. If we ever get the chance, we will PARTY HARDY and we will show John how to do it right!!!! God bless and always keep you safe.
